Dear Partners,

First of all, we appreciate your continued association with us. We understand you had few concerns about the payment process. We have heard your feedback. We are making below changes to our payment policy to streamline your payment. This will help us in making all your payments on time. Below are the key changes. We urge you to read the changes carefully and acknowledge your acceptance.

1. **Wallets** - We are committed to making fast and timely payments to your efforts. To achieve this, we are creating your wallets in your dashboard, where you can see all your interviews and the total payable amount, this will allow us to have a bulk payment release . You will be receiving weekly payment next month. This is applicable from Nov '21. For example, 1st Nov to 7th Nov, you will be paid between 1st-7th December. Similarly, payment for 8h-15th Nov will be between 8th-15th Dec. This would be a great step to plan and ensure all payments are made on time.

2. **Candidate** No-Show Payment Limit- We have observed candidates' likelihood to turn up in the interview beyond 5 minutes is less than 2%. To save your precious time waiting for No-Show, we are reducing the No Show wait time limit to 6 minutes. Now, you only have to wait for 6 minutes before marking a candidate No Show. Please note in the case of Candidate No Show, maximum payment will be for 6 minute.

3. **Rejected candidates Payment** - To reiterate, payment for rejected candidates will be restricted to a maximum 30 minutes. This policy already exists, and we are reiterating it to ensure we save your time and efforts on the reject candidates.

4. **SLA(service-level-agreement) failures fees-INR 250:** We are working with our clients on strict SLA in terms of interviewer no-show, interviewer delay, feedback report submission delay, last minute unassignment (120 mins before the interview), bad rating from the candidate, bad rating from the client. We have penalties associated with SLA failure from clients. As our business associates, we have no options but to pass part of this penalty to you as well. From Dec'21, we will levy a small penalty of Rs 250 to all our interviewer partners in case SLAs are not met, which include No Shows, last minute unassignment, delay in joining interviews, feedback report submission delay, bad rating from the candidate, bad rating from the client.
