Dear Interviewer,

Please find Risebird payment cycle details below,

Fixed pay

1. Per minute rate will be applicable - your current India or US per hour rate/60 minutes.
2. Your per minute rate will vary depending on which category you are verified for. We have 5 categories- Standard to Elite. Please cross check with your Risebird coordinator
3. Rejected candidate- maximum total billable minutes - 35 mins
4. Selected candidate- maximum total billable minutes- 60 mins
5. For example if your per hour rate is INR 1000/- for India, your per minute rate will be INR 16.66 per minute and for rejected candidate you can bill max INR 583
   and for selected candidate max- INR 1000/-. If you spend only 20 minutes for rejected candidate, you will be paid 333/-
6. For candidate candidate No-show and dropped , max total billable minutes- 15 mins
7. 10% TDS will be deduced and TDS certificate will be provided

Your per hour rate depends on quality score which is calculated using following factors:

1. Profile score
2. L2 select and accuracy rate
3. Completion rate
4. Candidate feedback
5. Number of interviews
6. Video quality of selected and rejected candidate
7. Report Quality of selected and rejected candidate

Higher Quality score can help in two ways-

1. Higher priority for interviews assignment
2. Higher per hour rate
