WHY INTERVIEW WITH RISEBIRD

Built around your time, privacy, and earnings

1. **Confidentiality first.** Your profile is never shared with customers, never mapped to your current employer's recruiters, and never to candidates from your own company.
2. **Transparent payments.** Every interview shows its payout upfront — accept only the ones that meet your expectations. Specific date payments supported.
3. **100% remote.** All interviews are conducted online. We will never request offline visits.
4. **No unfair deductions.** Only the standard 10% TDS is deducted; the rest is transferred to your preferred account. TDS certificate provided.
5. **Time flexibility.** Interview slots run 6 AM – 12 AM on weekdays and weekends. No fixed schedule — you pick the interviews you want.

6. **Easy to start.** A one-time 15-minute call to share expectations, plus a 5–10 minute portal walk-through video. That's it.

7. **Career upside.** Strong interviewers receive part-time and full-time job offers from companies on the platform — only after your explicit approval do we connect you.

8. **Lifetime ROI.** Continuous part-time income, fully confidential, alongside long-term employment opportunities throughout your career.

> **Privacy promise:** Your identity stays protected at every step — your current employer is never informed, and your profile is never mapped to candidates from your own company.
